SME HELPLINE

Dear Customers,

Union Bank has been taking various measures for reaching out to the MSME entrepreneurs. Bank has already established Central Processing Centers - SME Sarals- for quick disposal of MSME loan applications. Apart from this all our regional offices and Sarals would be very positive in redressing the difficulties of the MSME clients.

We have launched SME Helpline desk for the benefit of our esteemed clients through which you can seek the solution for your difficulties and queries.

We are giving the contact numbers and the names of our regional heads and SME Saral incharge for your easy and immediate access to them.

We once again assure you of our best and prompt services.

T.K Sharma
General Manager (MSME)
